AMENDED F. C. & S. WARRANTY (October, 1959)

The F. C. & S. Warranty in this Policy is hereby amended to read as follows and as so amended shall be paramount and shall not be amended or superseded by any other provision included in this Policy or stamped or endorsed thereon unless such other provision refers specifically to the risks excluded by this warranty and expressly assumes the said risks: –

Notwithstanding anything herein contained to the contrary, this insurance is warranted free from capture, seizure, arrest, restraint, detainment, confiscation, preemption, requisition or nationalization, and the consequences thereof or any attempt thereat, whether in time of peace or war and whether lawful or otherwise; also warranted free, whether in time of peace or war, from all loss, damage or expense caused by any weapon of war employing atomic or nuclear fission and/or fusion or other reaction or radioactive force or matter or by any mine or torpedo, also warranted free from all consequences of hostilities or warlike operations (whether there be a declaration of war or not), but this warranty shall not exclude collision or contact with aircraft, rockets or similar missiles or with any fixed or floating object (other than a mine or torpedo), stranding, heavy weather, fire or explosion unless caused directly (and independently of the nature of the voyage or service which the vessel concerned or, in the case of a collision, any other vessel involved therein, is performing) by a hostile act by or against a belligerent power; and for the purposes of this warranty “power” includes any authority maintaining naval, military or air forces in association with a power.

Further warranted free from the consequences of civil war, revolution, rebellion, insurrection, or civil strife arising therefrom, or piracy.
