

**AIMU**  
**WAR RISK OPEN POLICY (CARGO)**  
**(December 2, 1993)**

**87B-110**

THIS POLICY OF INSURANCE WITNESSETH, that in consideration of premiums as agreed to be paid, the Assurer does make insurance and cause ..... to be insured, lost or not lost, for account of whom it may concern, against War Risks only, in accordance with the terms and conditions hereinafter set forth.

To apply to shipments made on or after .....

This Company shall not be liable hereunder for more than \$ ..... by anyone vessel.

In cases where the total value(s) at risk on anyone vessel exceed(s) the limit of liability as set forth in this Policy, the Assured agrees, nevertheless, to report to the Assurer full value(s) at risk and to pay premium thereon at the agreed rates. The Assured further agrees that acceptance of such reports and premium by the Assurer shall not serve to revoke or to overrule the limit of liability set forth in this Policy; however, subject to the limit of liability, the Assurer in accepting these reports does agree to pay partial losses covered by this Policy without reduction by reason of any coinsurance which otherwise may have existed in the absence of this special agreement.

Subject to the provisions of Clause 4 of this Policy, should there be an accumulation of interests exceeding the above limit of liability by reason of any interruption of transit beyond the control of the Assured or by reason of any casualty, and/or after the interests have been discharged from the incoming overseas Vessel at an intermediate port or place for on-carriage from that or any other port or place by another overseas Vessel, and/or on the on-carrying overseas Vessel, this Policy shall attach for the full amount at risk (but in no event for more than twice the Policy limit which would be applicable to anyone Vessel) provided written notice be given to this Assurer as soon as known to the Assured.

This Policy shall cover only those shipments which are insured against marine risks under Policy No ..... of this Company, it being agreed that the description of such shipments, the valuations thereof, the voyage, the designation of the overseas Vessel (which shall be construed to include aircraft if included under the marine policy) on which the goods are to be carried and the ports and/or places of loading and discharge, as reported under the said Policy against marine risks, shall be deemed incorporated herein. Notwithstanding the foregoing, this policy shall not cover purely domestic shipments by air between points in the United States of America (excluding Alaska and Hawaii).

Any loss payable hereunder shall be payable in funds current in the United States, to the order of ..... thirty days after full proofs of loss and proofs of interest have been filed with the Assurer.

1. (a) This insurance is only against the risks of capture, seizure, destruction or damage by men-of-war, piracy, takings at sea, arrests, restraints, detainments and other warlike operations and acts of kings, princes and peoples in prosecution of hostilities or in the application of sanctions under international agreements, whether before or after declaration of war and whether by a belligerent or otherwise, including factions engaged in civil war, revolution, rebellion or insurrection, or civil strife arising therefrom; the imposition of martial law, military or usurped power, and including the risks of aerial bombardment, floating or stationary mines and stray or derelict torpedoes. Warranted not to abandon (on any ground other than physical damage to ship or cargo) until after condemnation of the property insured.

(b) This insurance also covers, but only while the property insured is on board a waterborne conveyance, loss of or damage to said property directly caused by governmental authorities acting for the public welfare to prevent or mitigate a pollution hazard or threat thereof, provided that the accident or occurrence creating the situation which required such governmental action would have resulted in a recoverable claim under this Policy (subject to all of its terms, conditions and warranties) if the property insured would have sustained physical loss or damage as a direct result of such accident or occurrence.

2. Warranted free from any claim based upon loss of, or frustration of, the insured voyage or adventure caused by arrests, restraints or detainments.

3. This insurance does not cover any loss, damage or expense directly or indirectly arising from, contributed to, or caused by any of the following, whether due to a peril insured against or otherwise:

(a) commandeering, preemption, requisition or nationalization by the government (defacto or otherwise) of the country to or from which the goods are insured.

(b) Seizure or destruction under quarantine, environmental or customs regulations.

(c) Delay, deterioration and/or loss of market.

(d) Nuclear reaction, radiation or radioactive contamination, regardless of how it was caused.

4. (a) The insurance against the risks enumerated in clause 1, except the risks of floating or stationary mines and stray or derelict torpedoes, floating or submerged referred to in (b) below, shall not attach to the interest hereby insured or to any part thereof:

(i) prior to being on board an overseas Vessel (For the purpose of this Clause 4 an overseas Vessel shall be deemed to mean a Vessel carrying the interest from one port or place to another where such voyage involves a sea passage by that Vessel);

(ii) after being discharged overside from an overseas Vessel at the intended port or place of discharge,

or

after the expiry of 15 days from midnight of the day of arrival of the overseas Vessel at the intended port or place of discharge, whichever shall first occur;

(iii) after expiry of 15 days from midnight of the day of arrival of the overseas Vessel at an intermediate port or place to discharge the interest for on-carriage from that or any other port or place by another overseas Vessel, but shall reattach as the interest is loaded on the on-carrying overseas Vessel. During the said period of 15 days the insurance remains in force whether the interest is awaiting transit or in transit between the overseas Vessels.

(iv) For the purpose of this Clause 4 arrival at the intended port or place of discharge shall be deemed to mean that time when the overseas Vessel first berths, anchors, moors or is secured in an area subject to regulation by the authorities of such port or place.

(b) The insurance against the risks of floating or stationary mines and stray or derelict torpedoes, floating or submerged, attaches as the interest hereby insured is first loaded on a lighter, craft or vessel after leaving the warehouse at point of shipment in transit for the destination declared hereunder, and ceases to attach as the interest is finally landed from the vessel, craft or lighter prior to delivery to warehouse at such destination.

(c) If the contract of affreightment is terminated at a port or place other than the destination named therein such port or place shall be deemed the intended port or place of discharge for the purpose of this Clause 4.

(d) Shipments by mail, if covered by this Policy are insured continuously from the time of leaving the sender's premises until delivered to the place of address.

(e) Shipments by air (other than by air mail) if covered by this Policy are insured subject to the same terms and conditions as shipments by overseas Vessel.

(f) It is a condition of this insurance that the Assured shall act with reasonable dispatch in all circumstances within their control.

(g) If anything contained in this Policy shall be inconsistent with this Clause 4 it shall to the extent of such inconsistency be null and void.

5. This insurance shall not be vitiated by deviation, overcarriage, change of voyage, or by any error or unintentional omission in the description of interest, vessel or voyage provided the same be communicated to the Assurer as soon as known to the Assured and an additional premium paid if required.

6. And in case of any loss or misfortune, it shall be lawful and necessary to and for the Assured his or their factors, servants and assigns, to sue, labor and travel for, in and about the defense, safeguard and recovery of the said goods, and merchandises, or any part thereof, without prejudice to this insurance; nor shall the acts of the Assured or Assurers, in recovering, saving and preserving the property insured, in case of disaster, be considered a waiver or an acceptance of an abandonment; and to the charges whereof, the said Assurers will contribute according to the rate and quantity of the sum hereby insured.

7. General Average and salvage Charges payable according to United states laws and usage and/or as per Foreign Statement and/or as per York-Antwerp Rules (as prescribed in whole or in part) if in accordance with the Contract of Affreightment.

8. It is agreed that the reports of shipments made under the Policy against marine risks mentioned above shall be deemed to be reports under this Policy also, and the Assured agrees to pay premiums on all shipments insured under this Policy at the war risk rates of the Assurer as fixed from time to time.

9. No claim shall be payable hereunder which arises from collision, contact with any fixed or floating object ( other than a mine or torpedo), stranding, heavy weather or fire unless caused directly (and independently of the nature of the voyage or service which the Vessel concerned or, in the case of a collision, any other Vessel involved therein, is performing) by a hostile act by or against a belligerent power; and for the purpose of this paragraph "power" includes any authority maintaining naval, military or air forces in association with a power.

10. No recovery for a Constructive Total Loss shall be had hereunder unless the property insured is reasonably abandoned on account of its actual total loss appearing to be unavoidable, or because it cannot be preserved from actual total loss without an expenditure which would exceed its value if the expenditure had been incurred.

11. It is agreed that this Policy is a separate and wholly independent contract and is not subject to any terms or conditions of the Policy against marine risks above mentioned (whether physically attached thereto or not) except as such terms or conditions shall have been expressly incorporated herein by reference.

12. This insurance may be canceled by either party upon forty-eight hours written, telegraphic or telefaxed notice to the other party, but such cancellation shall not affect any shipment on which this insurance has attached under the terms of Clause 4 hereof prior to the effective date of such notice. Shipments on which this insurance has not so attached but for which, prior to the effective date of such notice, bills of lading have been issued and (in the case of exports) Certificates or special policies have been issued and negotiated, shall be covered from the time of loading on the overseas Vessel, as provided in Clause 4, at the rates of the Assurer, provided that, prior to said effective date, such shipments were at the risk of the Assured and were covered under the said Policy against marine risks.

In the event of loss which may give rise to a claim under this Policy, prompt notice shall be given to this Company.
