7. Additional Comments

On busy days, drivers must park their trucks in line at the various airlines then go to the office to turn in paperwork and receive a dock assignment. There has been an increase in truck thefts from the airlines while driver are inside the office.

8. What issues do you foresee that could impact cargo movement by handling at your port in the coming year?

We have been advised that the construction of the new cargo entrance tunnel to the Port of Miami will not affect the cargo movement at the terminals concerning handling equipment and processing drivers paper work.
